

Kroger Community Rewards

The Imlay City Historical Commission participates in the Kroger Community Rewards Program. This is an excellent fundraiser for the Museum and provides much needed financial support.

If you shop at any Kroger store (not just the Imlay City store) and use a Kroger Plus Card, five percent of your purchase will be donated to the Museum.

The sign up is easy; go to www.krogercommunityrewards.com and sign in to your existing account, if you have one, and follow the prompts for the Community Rewards Program. The Museum's Non-Profit Number (NPO) is QS049.

Those who do not have an online Kroger account can create one at www.kroger.com and click on create an account and follow the prompts. After your account is set up you can go to the Community Rewards page and select Imlay City Historical Commission. Our NPO is QS049.

The Community Rewards is an easy way to help support the Museum as we work to preserve the history of the Imlay Area for future generations.

Our Mission is to operate a museum and to bring together those people interested in history, and especially in the history of Imlay City and its surrounding communities; since understanding the history of our community is basic to our democratic way of life, gives us a better understanding of our state and nation, and promotes a better appreciation of our American heritage.
